Remerciements

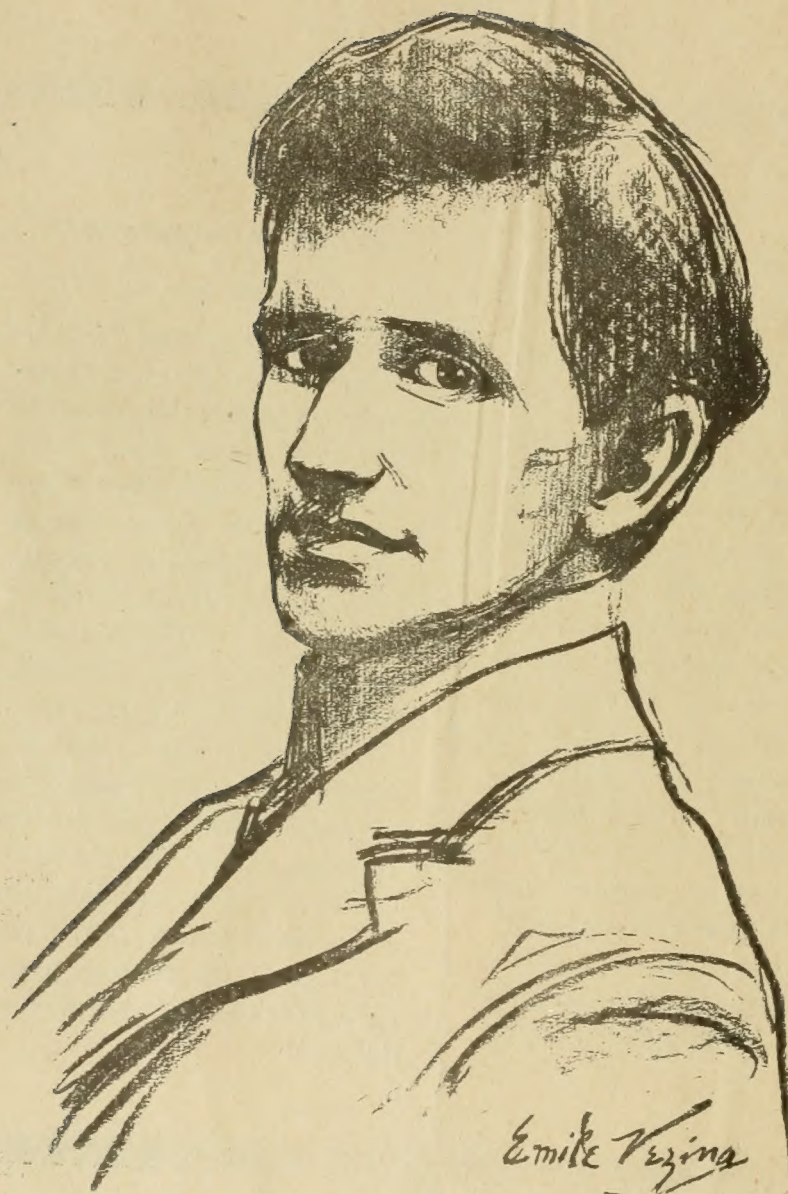

En présentant ce volume au public, je tiens à remercier les rédacteurs des différents journaux auxquels sont empruntées les dessins republiés ici. Tous ont eu pour moi des égards et des attentions qui m'ont été utiles et très sensibles. Je tiens à mentionner particulièrement, mes confrères du "Canada", de du "Journal", de la "Patrie", du "Witness", du "Herald", des "Débats", du "Combat", du "Sunday Sun" et du "Canard". C'est le "Canard" qui a fourni la grande majorité des caricatures contenues dans cette collection et j'en remercie l'éditeur d'une manière toute spéciale.

Acknowledgement

In presenting this book to the public a word of acknowledgement is due the editors of the various papers from whom the cartoons have been selected, for their many acts of kindness and assistance notably the editors of "Le Canada", "Le Journal", "The Witness", "La Patrie", "The Herald", "Les Débats", "Le Combat", "The Sunday Sun" and "Le Canard". To the "Canard" in particular thanks are due for the majority of the Cartoons contained in this collection; the independent nature of this paper making its cartoons peculiarly adapted to a collection of this kind.

Introduction

Ceci n'est ni une préface, ni un éloge de M. Alonzo Ryan. Il s'agit simplement d'expliquer en quelques lignes l'utilité et la valeur de ce volume.

Ces dessins de M. Ryan résument, sous une forme on ne peut plus attrayante, l'histoire politique, je dirai même sociale, des huit dernières années. La grande lutte de 1896, l'ascension, le règne et la chute de M. Tarte, les principaux événements de la carrière de Sir Wilfrid Laurier, ses décorations, ses voyages en Angleterre, les dissensions qui ont éclaté à plusieurs reprises parmi les conservateurs, tout y est crayonné de main de maître.

On rencontre ci et là des incursions dans la politique provinciale et un coup d'oeil sur les affaires municipales.

Tous les principaux hommes d'affaires du Canada ont été caricaturés par M. Ryan, et toujours d'une manière *spirituelle* et quelquefois *mordante*.

Le grand talent de ce jeune dessinateur se révèle dans l'impartialité et l'indépendance de son crayon. Quelles que soient la nationalité ou les opinions politiques du personnage, si ses actes prêtent à la critique ou offrent un côté risible, l'artiste s'en empare et met les rieurs de son côté, mais avec tant d'esprit, que le caricaturé lui-même ne peut s'empêcher d'en rire.

Tous ceux qui ont été mêlés aux événements publics des huit dernières années, ou qui s'y sont intéressés, voudront posséder cet album, unique au Canada.

Nous prédisons à M. Ryan un énorme succès, et il le mérite doublement, comme artiste et comme compatriote.

L.....

The cartoons collected for this book treat chiefly the political happenings since Sir Wilfrid Laurier, politely elbowed Sir Charles Tupper into political oblivion.

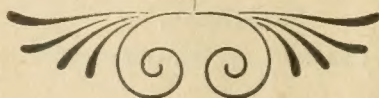

With Sir Wilfrid's rise to power, Mr. Alonzo Ryan the modest parent of these sketches began to accumulate a reasonable amount of fame in Montreal as a cartoonist of no mean ability, and he has been adding to it ever since. Mr. Ryan has had an extensive but mixed audience. As a free lance cartoonist he has drawn for both french and english, liberal, conservative and Independent papers and this goes to demonstrate his artistic versatility. It is easy enough to draw for one paper, but to be with the Government in a cartoon drawn at 9.15 a. m. and "agin" the Government in another executed at 11.30 a. m. the same day is a different matter. In spite of these Tarte-like fluctuations from one party to the other Mr. Ryan has preserved the esteem of both sides, because he has worked without malice, and has succeeded in doing something that some others have failed in, namely, to hit with a pen instead of a club.

Recent political developments have been particularly fruitful for the cartoonist. The Grand Trunk Pacific, Mr. Tarte's spectacular flight or descent from the Cabinet to the hard earth, and his rebound into the late enemy's camp, Mr. Blair's equally interesting gymnastics, the Tarte vs Monk fight to a finish Mr. Bergeron's protracted series of semi-annual defeats, and dozens of other events too numerous to mention, all of which Mr. Ryan has treated in his unique and original style.

This book contains on only a few samples of the artist's works during these seven or eight years and it is only fair to say that many good things have had to be omitted through lack of space.

OPENING OF ELECTORAL CAMPAIGN

LE CANARD a découvert que le chef Legault est soumis à une étroite surveillance de la part des échevins. Voyez, par exemple :

I. Sur la rue.—C'est intolérable ! Il fume le cigare et crache sur le trottoir comme le commun des mortels, et la tuberculose qui décime la population !

II. Comment ! Il boit de l'eau à la glace. Quel exemple dangereux pour les constables en temps de canicules.

III. Dans son bureau.—C'est inconcevable ! Il reçoit des lettres ! Qu'est-ce donc que cette correspondance ?

IV. Voyons un peu s'il porte les chaussures réglementaires de police.

V. Au restaurant.—Oh ! le dissipateur ! Il mange du poulet et boit du vin à son dîner, lors que la banqueroute est aux portes de la Cité

NO CARICATURE

You dont caricature yourself in Semi-ready.

The lines of each suit are conventional and in proper style — fitting one's personality.

The interior workmanship of the suit is thoroughly hand-tailored on a shrunken base of canvas and haircloth.

The shoulders of the coat fit smooth and shell-like the collar clings closely to the neck.

You forejudge every effect of style — color — fabric, and fit, before you buy.

Then we return your purchase money for any cause whatever.

CAPT. CARROLL RYAN.

Poems. Songs. Ballads

— BY —

CARROLL RYAN.

The new volume of poems just issued by Carroll Ryan is his best. They are on a high plane and worthy of a top-most place in the literature of Canada. This latest contribution is particularly acceptable to the English speaking portion of the community which in this department is much inferior to the production of the French-Canadian.

WORLD WIDE

Wit and Wisdom

Send for free samples of World Wide and see its weekly selection of Cartoons and articles.

It contains each week the best work of the best publications the world over.

Sir Algernon Coote, Bart. of Ballyfin House, Mountrath, Ireland, writes :—

"I am delighted with "World Wide". The publication is superior to any of a similar kind that I have seen on either side of the Atlantic".

And just the other day Sir Algernon writes again sending a list of names to whom he desired sample copies of "World Wide" sent, and on this occasion he added, "I am more and more pleased with "World Wide" and the admirable manner in which the paper is edited and the selections are made."

Thousands of others are writing and talking in the same strain.

Only \$1.00 a year. But do not judge by its price, send for free samples. Please do not confound "World Wide" with other publications of similar name.

LE JOURNAL

LE JOURNAL is in the common and popular sense, the Great National Newspaper of French Canada.

It covers fully and promptly all occurrences of interest the world over and devotes proportionate space to comprehensive and accurate reports of all events of consequence in its own immediate territory.

LE JOURNAL as an Advertising Medium occupies a field honorable and dominant. It is unquestionably **THE BEST FRENCH MORNING DAILY PUBLICATION IN MONTREAL.**

LE JOURNAL est littéralement parlant, le Grand Organe National du Canada Français.

Il renseigne complètement et promptement ses lecteurs sur tous les faits divers intéressants de l'univers entier et consacre un espace suffisant au rapport clair et précis de tous les événements importants se passant sur son territoire immédiat.

LE JOURNAL, comme médium de publicité, offre un champ honorable et prééminent. Il est indiscutablement **Le Meilleur Organe Quotidien du matin de Montréal.**
